### **FACE MASK :**

THE WESTERN COWBOY FASHIONABLE SCARF AS A MASK

WE have designed a mask that is fashionable like in the GIDDY-UP Days.. It is Free,- anybody can make it.

The important thing is it is

loose fit and can cover only the mouth (if required, can cover the nose as well .

The design is smart and practical because of a small piece of iron-on material attached to the inner part of the mask.

Please share the details to those who wish to make it or convert the Hanky into a fashionable mask.

**A PARRELOGRAM. APPROXIMATELY DIAGONAL 29" X H 15" X SIDE17"**

### **THE MASK & PRECAUTIONS**

Wearing masks, after some time brings about unpleasant odour. Is this because of Germs.

These germs that surely enter the lungs, with time create complications to Health.

It be in my and Public interest to wear a hanky/scarf over the face in the following manner.

1. IN PUBLIC- Wear the mask covering mouth and nose
2. IN OFFICE & Familiar Surroundings- cover mouth while nose is visible
3. ALWAYS: The Mask or Hanky is on the Face,can cover if required instantaneously

This is an Opinion to Celebrate Life, and get back to NORMALCY, in a Fashionable Way.

Please follow WHO Guidelines where there is confusion .
