Do We Understand?

CONCEPT OF UNDERSTANDING
(I DON'T WANT TO KNOW!)

PROJECT: Living in a Multi Cultural Society

Challenges: Understanding each other's Religion, Cultural Practices, amid situations that arise due to Hate Speech, Anti Religious Sentiments and The Unseen Hand

Real Issue: No Good Governance and Rivalry, and irresponsible Social Media

The Good Thing: The Solution is: In All of these Glorious Religious Practices of the Founders..., and the common Texts that have a Universal Appeal of Goodness and Truth...

Some of them are listed below:

- CHRISTIANITY :**
1. The Lord our God is One Lord
 2. Believe in The Prophets so that you shall Prosper
 3. "ONLY an EVIL, ADULTEROUS generation would demand a ..." Miraculous Sign
 4. Beware of false prophets, which come to you in sheep' clothing, but inwardly they are ravening wolves.

- BUDDHISM :**
1. There is, an unborn, unoriginated, .uncreated, unformed
 2. There are not different in the World truths is One and the Same at All Times Truth and in Every Place
 3. I am Buddha who came not the first upon this Earth, nor shall I be the last
 4. Some form their Dharma arbitrarily and fabricate it artificially; they advance complex speculations and that good results imagine are attainable only by the acceptance of their theories

HINDUISM :

1. "He is one only without a second."
2. Whenever there is deterioration in righteousness and waxing of sinfulness, the glorious lord himself. Incarnates
3. Those whose intelligence has been stolen by material desires worship demigods.
4. As He is unborn, He deserves our worship

ISLAM :

1. Say, He is God, , God, The Absolute, He does The One not give birth, nor was He born, and there is nothing like Him
2. We sent forth among every nation a Messenger
3. "Verily those who split up their religion and became sects, you have absolutely nothing to do with them.
4. I have only been sent to perfect good moral character."
5. Let there be no compulsion in religion. Truth stands out Clear from error-

What it says to People who were sent Messengers before? About Religion?

1. O People of the Book! Commit no excesses in your religion: nor say of Allah aught but the truth^{4:17-18} He has chosen you, and imposed no difficulties on you in religion; it is the religion of your father Abraham^{22:78}
2. Revile not ye , those whom they call upon besides Allah, lest they out of spite revile Allah out their ignorance ^{6:108}10. 06
If anyone desires a religion other than Islam(submission to the will of the Creator) Never will it be accepted-^{3:85}12. For We assuredly sent amongst every People a Messenger-^{16:36}
3. Let there be no compulsion in religion Truth stands out Clear from error-^{2:256}66

Historical Facts : What is the Quran?

A compilation of divinely inspired sayings. A Guidance for Mankind, The Only Miracle that can be verified, tested and used for the benefit of Mankind. The Acid Test for Other Scriptures. Only Scripture preserved to date in Purity. Translation, may differ, but the essence is still the same.

Islamic Rule? The objective defending the innocent Victim. Centuries of Rule over-Holy Land-Jerusalem, Spain, India.... Muslims were minorities They NEVER wanted to make them 100% MUSLIM

There was Prosperity and Advancement of Science

Present Islamic Society? Billions of Muslims in sects like other Religions. Countries economically unstable, bombed, ravaged by war, that Religion, Tribalism, Politics all combined is the way of Life! Some destitute, vulnerable.

The Quran: What it says about Itself? About the Author?

1. This is the Book, about which there is no doubt, a guidance for those conscious of Allah*-2:2 * ALLAH is an Arabic word that gives the full meaning of the Creator of all that exists. In short Allah is uncreated, unborn, formless, all powerful and beyond ones imagination
2. Indeed, it is We who sent down the message, and indeed, We will be its guardian -15:93. praise be to Allah, who hath sent to his Servant the Book, and hath allowed therein no crookedness18:14. And We have indeed made the Quran easy to and understand and remember; Then is there any that will receive admonition?-54:175.

Step 1: Use a Quran translation, that is easy to read. Read from more than one translation, to not get misled by external situations.

Step2: Realise it is an extra ordinary Book. A communication to benefit... however, there will be Persons who wish to Read and Understand because of the many accusations leveled against the religion of their Neighbors, and wish to Investigate the Truth.

Step3: Allegations against the Quran, can Only be defended by the Quran, as It Promises ! This is a Manual for Ideal Conduct! Therefore read two sentences above and below offending passage, understand the context. If still doubts, prevail, check historical background of the passage, ask a open minded person of any Faith!

Step4: The Prophet of Islam is often referred as The Walking Quran.. Meaning he is Absolutely A Perfect Good Example of Fine Behavior; He will in his Character and Ways Reflect what The Holy Quran wishes us to Benefit. Finally he says I have been sent as a Final Prophet to Perfect Good Moral Character

Step5: The answer to the accusations may be so obvious that you have been overlooking it all the Time! Every Chapter starts with Mercy! Although harsh statements are there, it gives a final Best solution always! Confirms confrontation will never be a Good Option, except you have no option and you need to take self defense position, that too very honorably. There are scientific Proofs that are Mind Boggling. Always remember, it is not saying those other practices are Devious, but We have changed the True Teachings to meet our kind of thinking.....Refer False Prophets, Religious Leaders breaking into sects etc in Buddhism, Christianity, Islam, Hinduism.

Objective is to have a Civil Society, comprising of Every Religion, to Safeguard Each Other from Religious Hatred. This Requires Tolerance and Deep Understanding, not necessarily accepting their Views, but respect the Views as long as it does not Harm Society, or those in that Practice.

Thus Public Notice must be made of the Solutions or The Wrong ideas Spread. A School Curriculum about the Religious Beliefs and a Short History with a view to strengthen Society might be Favoured

.My site VR-One Org has many micro booklets and Misconceptions crushed in Minutes.

Societies can live with Honour & Dignity, once they understand each other cultures and religious Practices

The Education System can adopt this idea. School Children will be able to understand History of their Friends and the different variant cultures.

The following Words from Our Holy Books makes All Right Thinking People to Understand Each Other....

This must be made PUBLIC KNOWLEDGE....

Mischief Because of it!!!

Artful Deception and the Ignorant get Misled

The Holy Q U R A N

TRUTH is One.....

Let us examine

Buddhism: "A man that stands alone, having decided to obey the truth, may be weak and slip back into his old ways. *Therefore, stand ye together, assist one another, and strengthen one another's efforts.*

*I am not the first Buddha who came upon this Earth, nor shall I be the last
A fool may live all his life In the company of a master And still miss the way.*

"Search with sincerity and in the end you will find the truth

Islam: *"And make not Allah an obstacle to your doing good and guarding against evil and making peace between men," Quran 2:224*

Bible: *Woe to those who make unjust laws, to those who issue oppressive decrees Isaiah 10:1 "..... the pen of the scribes is in vain" Jeremiah 8:8*

Hinduism: *"... nonviolence, absence of anger, equanimity, abstaining from malicious talk, compassion for all creatures , gentleness, forgiveness, absence of malice, and absence of pride -- these are some of the qualities of those endowed with divine virtues." – Bhagavad-gita Ch. 16*

*There is nothing
more dreadful
than the habit of Doubt*

TRUST

*It separates people.
It is a poison that
disintegrates friendships
and breaks up
pleasant relations.
It is a thorn
that irritates and hurts;
It is a sword
that kills.*

Lord Buddha.
